MADE IN EUROPE

Această agendă a fost produsă după riguroase procese de producție, fără elemente chimice și produse poluante. Hârtia este obținută din prelucrarea celulozei fără acid. Fabricile de hârtie selecționate de către noi folosesc energie provenită din combustia de reziduri din lemn nefolosit sau deșeuri din procesul de producție.

Produsele noastre sunt produse integral în Europa, după articolele de lucru fundamentate de Comisia Europeană, printre care și interzicerea forței de muncă infantile. Furnizorii noștri de materie primă sunt controlați sau certificați și respectă directivele UE.

Procedures and internal processes, selection of raw materials and suppliers are found in brands presented in the following catalogue.

Il marchio della gestione forestale responsabile

FOREST STEWARDSHIP COUNCIL®
Marca Forest Stewardship Council identifică produse care au în compoziție lemn provenit din pădurile gestionate în mod corect și responsabil după standarde riguroase referitoare la mediul înconjurător, social și economic. Producătorul italian a obținut în 2009 certificarea pentru lanțul de custodie FCS®, iar în 2011 certificarea a fost transformată în Multisito, calificând și înglobând astfel companiile producătorului italian la nivel mondial.

PROGRAMME FOR THE ENDORSEMENT OF FOREST CERTIFICATION SCHEMES™
Producătorul italian a obținut certificarea pentru lanțul de custodie PEFC în 2010. PEFC este o schemă de certificare internațională care garantează modul în care materia primă lemnoasă utilizată la producerea hârtiei și a produselor din material lemnos provin din păduri gestionate în mod sustenabil.

A man in a dark grey suit is seen from behind, standing at a dark, reflective desk. He is facing a woman with long dark hair, wearing a dark top, who is smiling and holding a white folder. The background features a large, dark, geometric shelving unit with various colorful books. A central panel on the wall behind them displays the text 'CASTELLI MILANO 1938'. The ceiling has a recessed rectangular light fixture.

A black diary with the year '2024' written in silver cursive script is the central focus. It is positioned next to a light purple leather bag with a silver chain detail. The scene is set on a textured surface with lavender flowers in the foreground. The entire image is framed by a bright pink border.

Ecoline GROWBOOK

Crește-ți propriul brad cu Growbook și redă pământului ceea ce i-a fost luat

Instrucțiuni de plantare

1. Pune semințele într-un recipient cu apă caldă timp de 24 de ore. Plantează-le apoi într-un ghiveci cu pământ umed amestecat cu nisip (proporție 3:1)

2. Presară nisip deasupra și stropește cu apă

3. Așează ghiveciul la loc umbros. Când semințele încep să încolțească (după 10-20 de zile), oferă-le acces la lumina zilei și cantitate moderată de apă, evitând prea mult expunerea solară.

4. După aproximativ 2 ani de creștere în ghiveci plantați răsadul în pământ, de preferat toamna (în conformitate cu reglementările locale de plantare).
